**WINGS OVER LEUKEMIA AND LYMPHOMA INC. (WOLL)** is a charitable non-profit corporation founded in 2017 by a local three-time lymphoma survivor after receiving a life-saving stem cell transplant at the UVA Cancer Center. It is an entirely volunteer organization dedicated to raising the funds necessary to find the cure for all blood cancers, and hosts an annual outdoor live music and wingfest every year in support of that endeavor. More details can be found at [Wingsoverll.com](http://Wingsoverll.com). 100% of the net proceeds of the event are donated to the Leukemia and Lymphoma Society's (LLS) annual Light the Night Campaign. LLS is the world's largest voluntary (nonprofit) health organization dedicated to funding blood cancer research and providing education and patient services. Since 1949, LLS has invested nearly \$1.7 billion in groundbreaking research, pioneering many of today's most innovative approaches. LLS works tirelessly to find cures and ensure patients can access the lifesaving treatments they need.

WOLL is a 501(c)(3) organization, and all monetary donations are tax deductible to the fullest extent allowed by tax laws. Please check with your financial advisor if you have more questions.
